# Samsung Home Entertainment Package

# KEY FEATURES

## Samsung 85" QN85A Neo QLED 4K Smart TV

- Minimal bezels or border, thanks to its ultra-slim display with an edge-to-edge design
- Features 8k digital technology and AI upscaling<sup>1</sup> for enhanced visual clarity and an exceptional level of detail
- Quantum Matrix Technology Pro provides minimal picture blooming, vibrant colours, enhanced contrast, and optimum brightness in a variety of scenes
- Provides unprecedented wide view of action including game-monitor-like 21:9 and 32:9 aspect ratios
- Integrated Quantum Dot Technology provides optimal colour reproduction and contrast levels in various lighting conditions
- Smart, intuitive interface for easy access to various apps, streaming services, and connected services, including Netflix, Stan, Disney+, YouTube and Foxtel<sup>2</sup>
- Multiple voice assistants – Bixby, Amazon Alexa and Google Assistant – they're all built into your TV
- Object Tracking Sound Pro follows the on-screen action to deliver amazing audio from its dedicated up, side and centre-firing speakers<sup>3</sup>

<sup>1</sup> Picture quality of upscaled content will vary depending on the quality and resolution of the source content.

<sup>2</sup> Internet connection required. Subscription charges may also apply depending on service.

<sup>3</sup> The quality of sound effects may vary depending on the source content, installation, and environmental characteristics (e.g. ceiling).

## Samsung Home Theatre Soundbar HW-Q950A/XU 11.4ch

- Immerse yourself in captivating surround sound
- Enjoy incredible surround sound with Dolby Atmos speakers<sup>4</sup>
- Calibrated sound to suit your space
- Refined design is optimised to fit under your Samsung QLED TV without blocking the screen
- Front, rear, side- and up-firing speakers for a realistic and immersive experience<sup>4</sup>
- Powerful, wireless subwoofer to enjoy the rumble of a deep bass<sup>5</sup>
- Works with Alexa, Apple AirPlay 2 and more<sup>6</sup>

<sup>4</sup> Source content must be Dolby Atmos® or DTS:X enabled for Dolby ATMOS® or DTS:X playback. Sound effect may vary depending on environmental characteristics (including ceiling).

<sup>5</sup> Subwoofer performance and range can vary depending on environment – recommended to be within 3m of soundbar.

<sup>6</sup> Each device must be connected to Wi-fi or other wireless network. Must download and install the SmartThings app. Content services are subject to change without notice. Voice commands recognise English, French, Spanish, German, Italian, Chinese and Korean. Not all accents, dialects and expressions recognised. Amazon, Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Apple AirPlay requires iOS 11.4 or later.
