

Purchase \$5000
worth of PLASSON
Electrofusion or
PE Spigot Fittings
and receive a

FREE
SMARTFUSE
180 E/F Welder

Valid 1 October 2021 - 30 November 2021. Available to Tradelink Account Customers only. Customers must spend \$5000 on PLASSON electrofusion or PE Spigot fittings during the promotional period to be eligible for a free Smartfuse 180 E/F Welder. Full list of eligible products available at trade.tradelink.com.au or speak to your Tradelink Account Managers for further details. Tradelink will run a report at the end of the promotional period to determine eligible customers, and those eligible customers will receive their free Smartfuse 1803/F Welder the month after the promotion period ends. Eligible customers will be required to collect their free item from their local Tradelink branch, and will be contacted via phone and email when they are available to collect. Maximum of two tools per customer.
